

## YEARS ON YOUR SIDE.

IberAssekuranz was born in 2012, with a small team and the vocation to provide specialized service to multinational companies.

Today, at IberAssekuranz we are a benchmark in the insurance market, with several offices in Spain, numerous collaborators and a wide and diverse portfolio of clients managed by a human team of more than 25 employees.

In this decade, we have invested in the development of different technical areas. Highly specialized, we have extensive experience in the local and international markets, which allows us to remain competitive, responding to new challenges, threats and risks. Always with the focus on innovation and differentiation.

We celebrate this success along with a digital transformation and a new image. New energy for the next stage.

This road could not have been done individually. Having come this far is thanks to the human team that has been part of IberAssekuranz together with our colleagues and partners from the F.Rego Group, who have been supporting us from their offices in Portugal. The commitment, rigorousness and excellence in the service provided, ensure a differential value.

We also owe it to the trust that collaborators and correspondents, both national and international, have placed in us, with whom we have been strengthening the relationships of

perfect synergy that we have built and that have allowed us to grow together. We want to thank them for the mutual commitment that has guided our path.

We also want to make a special mention and thanks to all our clients, without whom this tour could not have taken place. To them, who have continued relying on our dedication, professionalism and closeness, we thank them for being part of our success.

The first decade of IberAssekuranz's life is, therefore, a collective celebration. All those who have contributed to the construction of a history of success, growth and improvement are part of it. A story that, however, has a long way to go. We count on each one of you to continue writing it.

We continue!

"Coming together is beginning, staying together is progress, and working together is success"

- Henry Ford

We hope to have you on our side for another 10 years!
